

SPONSORS NEEDED

Close out your 2010 Accounts with a contribution to NAWIC

Annually, NAWIC - Raleigh supports the community with service projects such as Habitat for Humanity and InterAct of Wake County (women's shelter). Students are encouraged with a future in construction through Block Kids, CAD competition, the Construction Technology Career Academy at Wake Forest/Rolesville High School, and multiple construction related scholarships.

Fundraising efforts are expanding this year to include new activities such as a casino night event and a poker run, as well as our traditional golf tournament.

If you would like to close out your 2010 accounts with an early sponsorship contribution, NAWIC would be happy to accept!

Sponsored prizes for the Casino Night and Poker Run are valued at \$150 to \$200 each, and we will have need of 10 prizes.

Each table for the Casino night on February 11, 2011 will require a Sponsor as well, at a contribution of \$300 each.

Each of the five stops for the Poker Run will be sponsored with food and refreshments, as will the Casino Night event.

The Golf Tournament sponsorships are as listed on our website at http://www.nawicraleigh.org/Golf_Tournament.html

All contributions may be made by check to NAWIC Raleigh or online at <http://shop.nawicraleigh.org/main.sc>
